NEBOSH International General Certificate in Occupational Health and Safety

Helps you 'know and do' effective health and safety

Globally recognised health, safety and environmental qualifications

There's never been a better time to join nearly 90,000 people who have the NEBOSH International General Certificate in Occupational Health and Safety.

Thousands of leading experts and organisations have helped us update the most widely respected health and safety qualification of its kind in the world. This means that it's designed to reflect the needs of today's employer giving learners everything they need to **know and do** to make their workplace safer.

Who's it for?

Relevant to every workplace, the NEBOSH International General Certificate is ideal for managers, supervisors and anybody with health and safety management responsibilities. It's also perfect for those who want to develop their health and safety career and gives you a stepping stone to success.

What will I know?

With in-depth focus on the things that matter the qualification covers the core skills you need, wherever in the world you work. You will learn:

- How to effectively manage health and safety
- How to identify and control common workplace hazards
- How to measure if you've been successful
- Relevant key international standards.

What will I be able to do?

Through study and workplace application, you will be able to:

- Confidently carry out risk assessments
- Develop and implement a detailed action plan
- Manage and minimise workplace risks

Transform your career: how will it help me?

Gain invaluable knowledge and skills from this globally respected qualification that supports your current role and your long-term career.

Transform your workplace: advantages for employers

According to ILO and EU-OSHA research, work-related injury and illness result in the loss of 3.9 % of GDP worldwide. Ensure your employees go home safely at the end of every day.

The qualification is trusted by prestigious organisations such as Maersk, Shell, BP, Skanska and Nestle. It can help to:

- Minimise workplace injuries and illness
- Boost employee wellbeing
- Show committed to health and safety which can win business
- Improve health and safety culture
- Build valuable in-house expertise

Recognition

Holders of the International General Certificate are entitled to:

- Associate Membership (AIOOSH) of the Institution of Occupational Safety and Health (IOSH). It also meets the academic requirements for Technician Membership of IOSH (Tech IOSH)
- Associate Membership (AIIRSM) of the International Institute of Risk and Safety Management (IIRSM)

How is it assessed?

The two-step assessment process, which checks what you **know** and **can do**, consists of:

- An open book examination
- A practical risk assessment

"After gaining a NEBOSH International General Certificate I was able to suggest and implement new ideas that reduced Lost Time Injuries by 75%. My achievements helped me to secure my current role as a manager. I also wrote a research paper around my experiences and was privileged to be named 'National Volunteer OSH Research Ambassador' as part of Kenyan President Uhuru Kenyatta's 'Big Four Agenda'."
