

## NEBOSH National Diploma for Occupational Health and Safety Professionals

The NEBOSH National Diploma for Occupational Health and Safety Management Professionals is a perfect choice for anyone who wants to make health and safety their career. Building upon the foundation of knowledge provided by the NEBOSH General Certificate, it is particularly relevant for:

- Health and safety professionals or those with aspirations to be one
- People with health and safety responsibilities who want to gain an in-depth understanding

### Course Content

The NEBOSH National Diploma is made up of 3 units which need to be completed within 5 years:

**Unit ND1:** Know - Workplace Health and Safety Principles (UK)

**Unit ND2:** Do - Controlling Workplace Health Issues (UK)

**Unit ND3:** Do - Controlling Workplace Safety Issues (UK)

### Assessment

To achieve the National Diploma, learners must complete and pass the following assessments.

Unit	Assessment format
ND1	Assignment (in four parts - simulations, workplace-based activities, reflective tasks and a research project)
ND2	Case study (simulation only)
ND3	Case study (simulation only)

All assessments are taken remotely, each assessment is completed electronically and submitted through the NEBOSH exam portal. You'll have between 4-6 weeks to complete your assessments from your chosen exam date.
