

NEBOSH National Diploma for Occupational Health and Safety Professionals

The NEBOSH National Diploma for Occupational Health and Safety Management Professionals is a perfect choice for anyone who wants to make health and safety their career. Building upon the foundation of knowledge provided by the NEBOSH General Certificate, it is particularly relevant for:

- Health and safety professionals or those with aspirations to be one
- People with health and safety responsibilities who want to gain an in-depth understanding

Course Content

The NEBOSH National Diploma is made up of 3 units which need to be completed within 5 years:

Unit DN1: Know - Workplace Health and Safety Principles (UK)

Unit DN2: Do - Controlling Workplace Health Issues (UK)

Unit DN3: Do - Controlling Workplace Safety Issues (UK)

Assessment

To achieve the National Diploma, learners must complete and pass the following assessments.

Unit	Assessment format
DN1	Assignment (in four parts - simulations, workplace-based activities, reflective tasks and a research project)
DN2	Case study (simulation only)
DN3	Case study (simulation only)

All assessments are taken remotely, each assessment is completed electronically and submitted through the NEBOSH exam portal. You'll have between 2-4 weeks to complete your assessments from your chosen exam date.
