Designed for managers, supervisors and employees, the NEBOSH National General Certificate is an essential qualification for anyone with health and safety responsibilities part of their role. It will give you important knowledge and skills to support your current role and long-term career.

Course Content

The NEBOSH National General Certificate is made up of two units:

Unit NG1: Management of Health and Safety

- Why we should manage workplace health and safety
- How health and safety management systems work and what they look like
- Managing Risk - understanding people and processes
- Health and safety monitoring and measuring

Unit NG2: Risk Assessment

- Physical and psychological health
- Musculoskeletal health
- Chemical and biological agents
- General workplace issues
- Work equipment
- Fire
- Electricity

Assessment

Unit NG1 of the **NEBOSH National General Certificate** is assessed by an open book exam and is therefore completed at home. The second unit, NG2, is a practical assessment carried out in your workplace.
