

## NEBOSH National General Certificate

The NEBOSH National General Certificate in Health and Safety is one of the most widely held health and safety qualifications in the world. It is the first step in building your health and safety career!

Designed for managers, supervisors and employees, the NEBOSH National General Certificate is an essential qualification for anyone with health and safety responsibilities part of their role. It will give you important knowledge and skills to support your current role and long-term career.

### Course Content

**The NEBOSH National General Certificate is made up of two units:**

#### **Unit GNC1: Management of Health and Safety**

- Why we should manage workplace health and safety
- How health and safety management systems work and what they look like
- Managing Risk - understanding people and processes
- Health and safety monitoring and measuring

#### **Unit GNC2: Risk Assessment**

- Physical and psychological health
- Musculoskeletal health
- Chemical and biological agents
- General workplace issues
- Work equipment
- Fire
- Electricity

### Assessment

Unit GNC1 of the **NEBOSH National General Certificate** is assessed by an open book exam and is therefore completed at home. The second unit, GNC2, is a practical assessment carried out in your workplace.
